

# DF21

## HIGH-SPEED HAIR DRYER

NEW  
UPGRADE

# HIGH-SPEED HAIR DRYER

BLOWING INTO YOUR HEART AND  
COMFORTING YOURSELF

## PRODUCT FEATURES

- High-speed motor with 110,000r/m
- 23m/s large wind speed
- 200,000,000 negative ions
- 59dB acoustic noise reduction
- Hot, warm and cold air circulating
- 3 wind speed options, 3 temperature controlled options
- Motor protection/Overheat protection/Constant temperature detection/Wind blocking protection

HIGH-SPEED HAIR DRYER

# Faster

High-speed brushless motor 110,000r/m

30% higher  
speed to dry hair

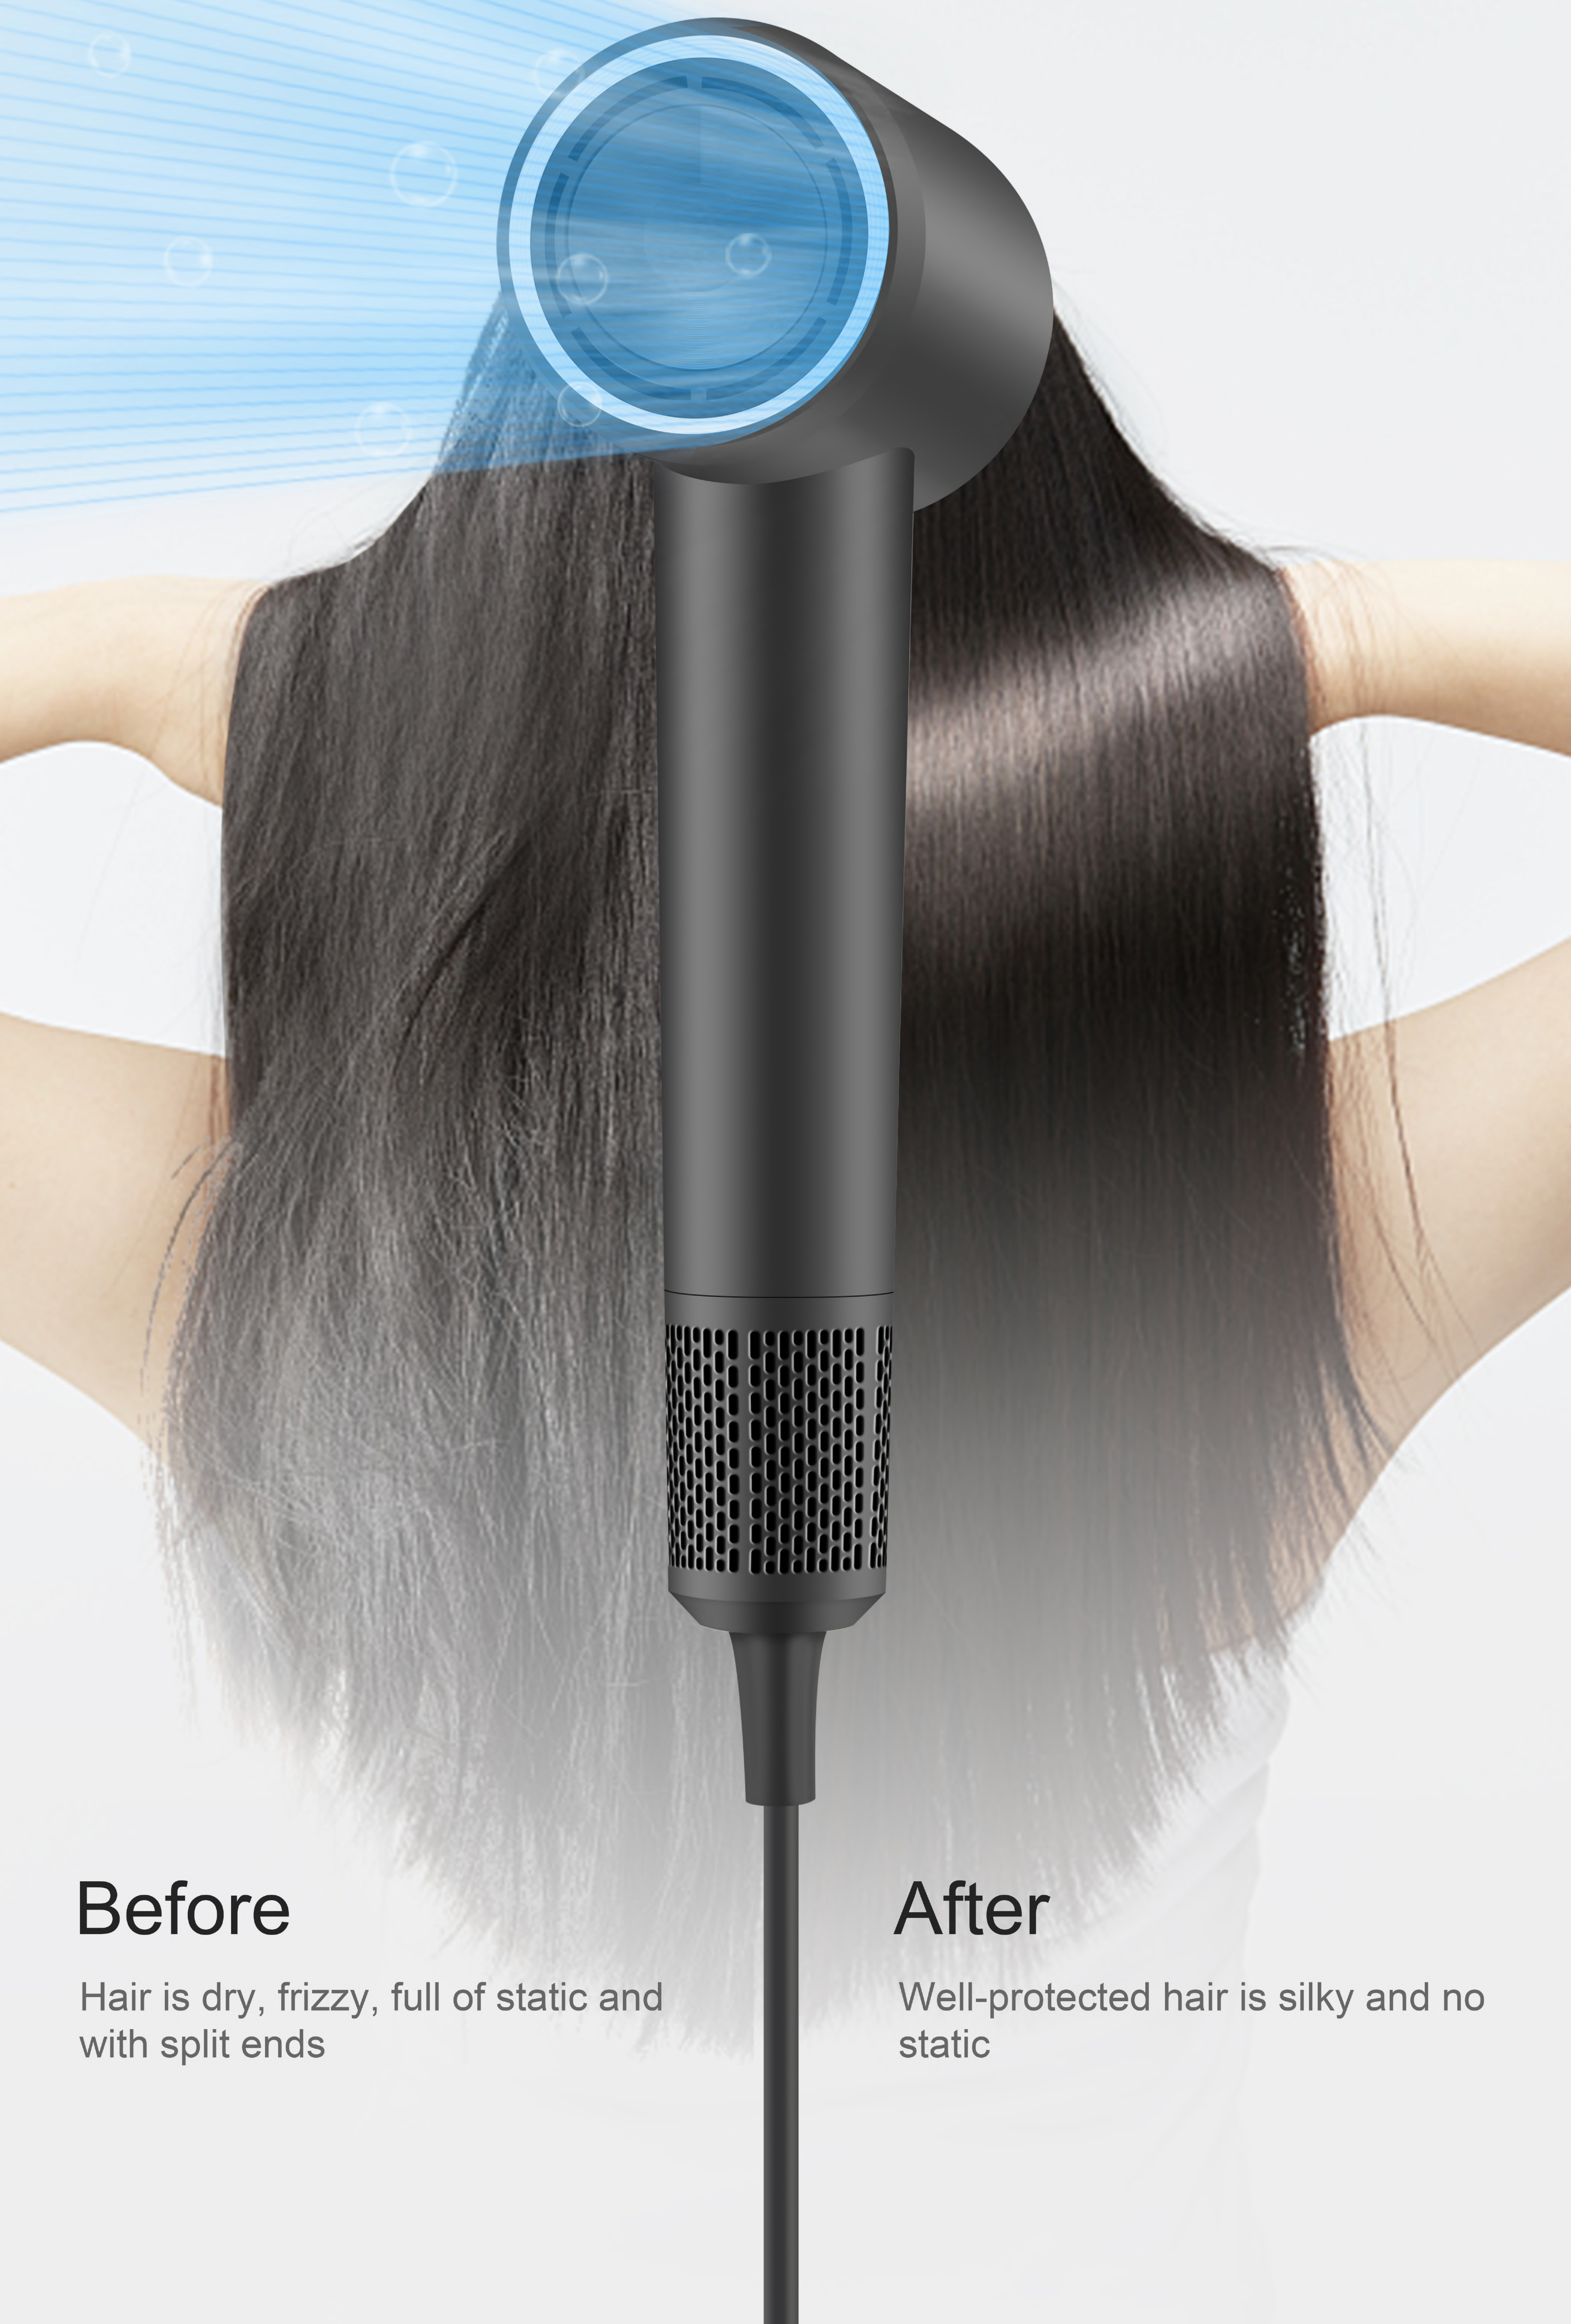

23m/s of wind  
speed

HIGH-SPEED HAIR DRYER

# Beauty

$\geq 200,000,000$  ions/cm<sup>3</sup>

Easy care from the tip to the root of the hair

## Before

Hair is dry, frizzy, full of static and with split ends

## After

Well-protected hair is silky and no static

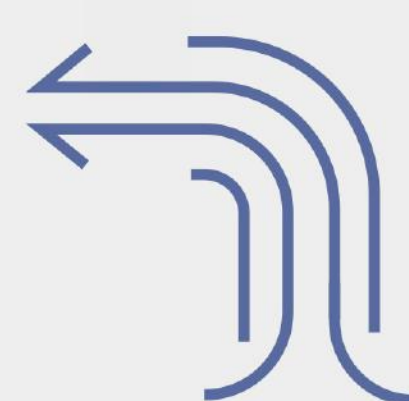

HIGH-SPEED HAIR DRYER

# Quiet

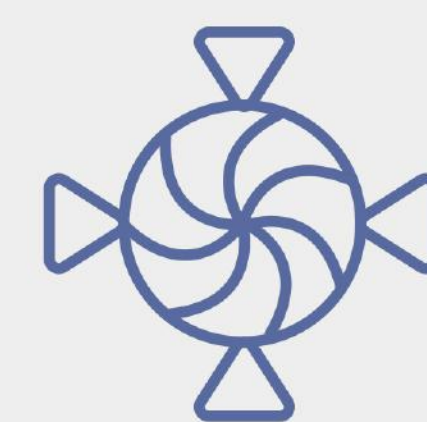

Multiple noise reduction

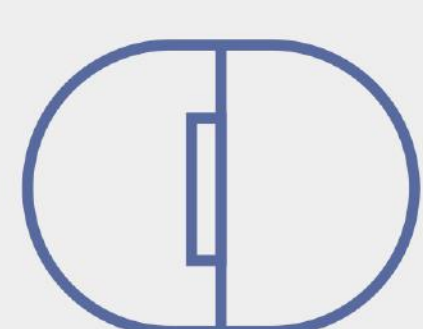

59dB acoustic noise reduction

Optimized air duct

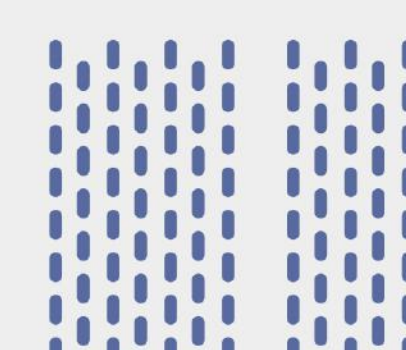

Dynamic balance correction

Closely connected components

Brushless motor

Air inlet network optimization

Product Model:	DF21
Temperature Options:	Hot: 85°C    Warm: 55°C Cold: 3°C to 15°C based on ambient temperature
Rated Voltage:	220V~ 50Hz
Max power:	1600W
Product Size:	69x91x278MM
Weight:	510G
Power line:	1.8M

Relying on Hong Kong and based in Shenzhen, Aolga has been adhering to the business concept of being pragmatic, efficient, stable and reliable facing the world since its establishment.

With the goal of creating a world-class brand of safe and reliable high-end hotel electrical products, Aolga provides our customers with exquisite and high-quality hospitality appliances through the integration of R&D, manufacturing and sales.
